LEROY COMMUNITY PROFILE

FOUR-SIX Regional Development Partnership

SUPPORTING COMMUNITY

WELCOME TO LEROY

LeRoy is a welcoming, family oriented community located in the heart of east central Saskatchewan. Positioned just minutes from the BHP Jansen Potash Project and surrounded by a strong agricultural economy, LeRoy continues to experience new opportunities for residential and commercial growth. Residents enjoy the benefits of small town living while having access to quality recreation, education and essential services. Whether you are raising a family, starting a business or looking for a community with strong connections and a high quality of life, LeRoy offers an ideal place to call home.

Highlights and Opportunities

LeRoy is well positioned for continued growth, located only minutes from the BHP Jansen Potash Project and surrounded by thriving agriculture, manufacturing and mining industries.

The community offers residential development opportunities, including the Willow Subdivision, along with commercial investment potential. Families benefit from a modern school, recently expanded childcare services and outstanding recreational amenities, while businesses enjoy a supportive community committed to progressive development.

Affordable housing, short commute times and a welcoming atmosphere make LeRoy an excellent place to live, work and invest.
