SUPPORTING COMMUNITY

WELCOME TO WATSON

Watson is a welcoming and progressive community located at the intersection of Highways 5 and 6 in east central Saskatchewan. Rich in history and community spirit, Watson offers an exceptional quality of life with modern amenities, strong recreational opportunities and a thriving local business sector. Conveniently situated within commuting distance of major mining, agriculture and manufacturing employers, Watson is an attractive place for families, professionals and entrepreneurs seeking the benefits of rural living with easy access to employment opportunities.

Highlights and Opportunities

Watson continues to support residential and commercial growth through available housing opportunities, serviced lots and a business friendly environment.

Located along two major highways and within close proximity to the BHP Jansen Potash Project and other regional employers, the community is well positioned for continued investment. Watson's strong volunteer culture, modern amenities and strategic location make it an excellent choice for families, businesses and those looking to enjoy a welcoming rural lifestyle.
